- ☺ PPT can be sent by speakers before the presentation to the coordinators.

About Bharat Centre of Canada

Bharat Centre of Canada (BCC) is an independent non-partisan ‘Policy Think Tank’, works with the mandate to develop a strategic vision for India-Canada relations. BCC priorities to address the research and educational demands arising from India’s emergence. The BCC seeks to promote interdisciplinary study and research on India and on Canada-India with a focus on expertise in international relations, economy, modern history, geography and climate, health care sector, education, science and technology, information and communication technology, innovation, entrepreneurship, political and strategic studies, and on India-Canada comparative studies. It also looks to fostering active links with universities, colleges, institutes, schools, think tanks, business entities, media, government and non-governmental organizations in Canada and India through applied research, teaching micro credential courses, training programmes, workshops, and conferences, and to serve as a repository of knowledge and data grounded in first-hand research on India and Canada.

Mission

Our mission is to become a premium resource hub on India in Canada, conduct in depth research, provide inclusive platform, and invest in prospects

Objective

Promote awareness and understanding, bring together policy makers, researchers, university/college students, academics, practitioners, and business entities among others
